

Outdoor Education

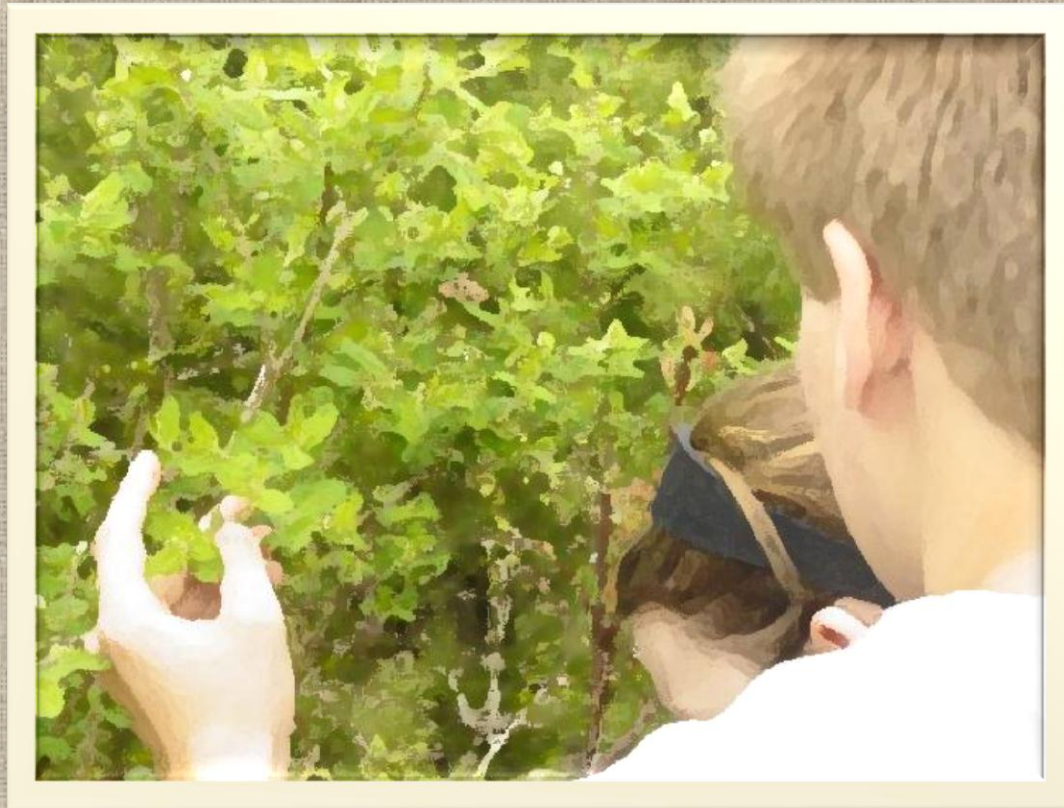

Disaster's Edge

St. Michael
PA

Where the classroom meets

the playground... and

muddy shoes

are

encouraged

...where \$1 per
student buys...

"...the best
field trip
ever!"

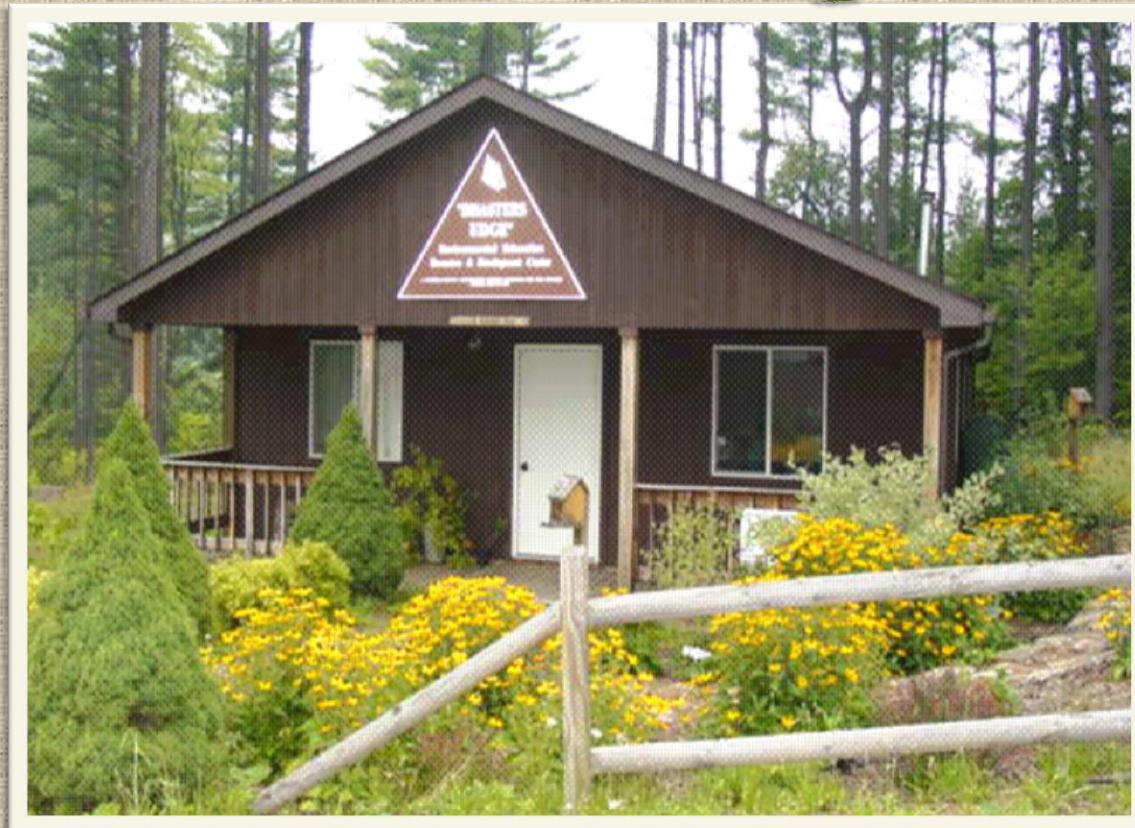

Patrick

*...and they'll never even know
they're learning...*

Welcome to Disaster's Edge

The Park of 1889, St. Michael, PA

Adams Croyle Township Recreation Authority

The Miracle Soybean

Students try to guess every day products that use soybeans.

Mary Ellen Bard,
Administrative
Assistant

Soybean

Experiments

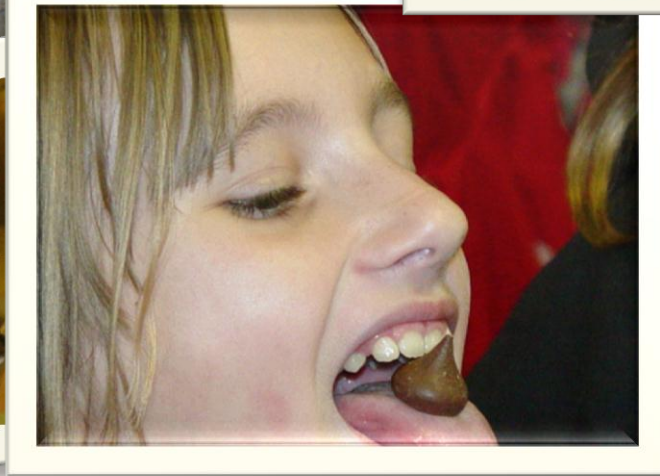

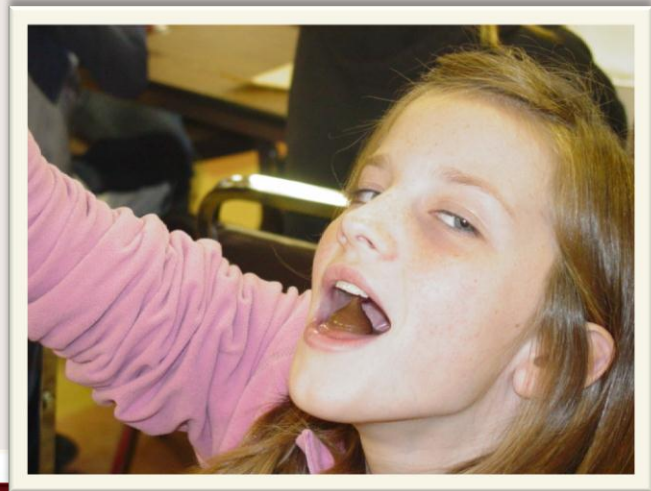

*"I didn't
know
so many
things
had soybean
in them..."
Lauren*

*"My purple plastic is the
best thing I ever made."
Haley*

What does a Hershey Kiss and a soybean have in common?

To find out
visit
Disaster's Edge

Wetlands

"The turtles were so cute."
Hayley

Beavers

and their
habitat

"I never thought
I'd be so interested
in beavers."
Kaitlyn

*On the way to the beaver
dam while learning all
about beavers and their
many adaptations.*

INVERTEBRATES

Bryan Rabish,
Watershed
Specialist

"My favorite was the
water bugs. I loved
working with the big nets
and looking at the fish
and bugs." *Alex*

MACRO INVERTEBRATES

"Some of
the bugs
were
really
weird but
cool."
Molly

Coal Miners and Mining

"We got to hold coal!" Michael

"The reconstructed coal mine was really cool to see." Luke

Jackie Ritko,
Resource Specialist
& Environmental
Education
Coordinator

*The heritage of coal mining in the Laurel Highlands
comes to life for students at the Coal Miner's Museum*

Lake Rowena

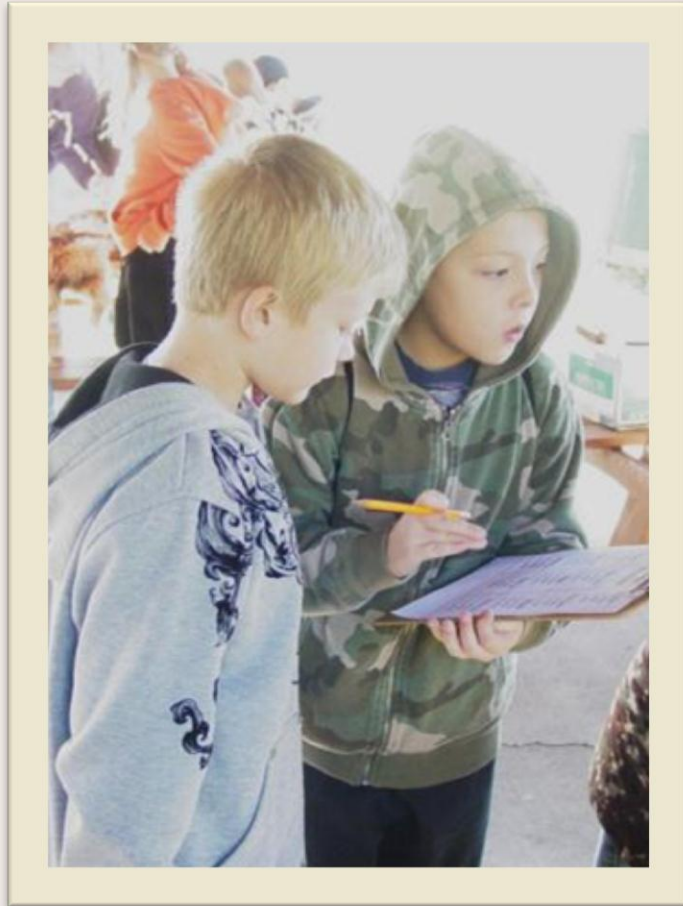

Ebensburg, PA

Name that track, scat...

Students team up to identify animal markings and tracks.

...and animal pelt!

Thank you for your time...

*...we hope you enjoyed our presentation regarding CCCD
Environmental Education Field Trips. We hope to see you this coming school year.*

*For more information or to reserve a date for fall or spring please call
Jackie Ritko at 814-472-2120 or email ritko@co.cambria.pa.us*

Mission Statement

*The Cambria County Conservation District educates and assists the
public through programs, projects and leadership
in the stewardship of natural resources
to sustain and enhance the quality of life.*
