I. AUTHORITY AND APPLICABILITY

- A. The Cambria County Conservation District (CCCD or District) is delegated the authority to administer the Commonwealth’s Erosion and Sediment Pollution Control (E&SPC) program under PA Code Chapter 102 Rules and Regulations of the PA Clean Streams Law by the PA Department of Environmental Protection.
- B. Districts may charge fees for Erosion & Sediment Pollution Control Plan reviews authorized by Act 217-The Conservation District Law.
- C. The review fee shall apply to all plans that are submitted to the District requesting E&SPC plan adequacy except as noted herein.

II. FEES

- A. District E&SPC Plan Review Fees
Applications will not be accepted for review without the appropriate review fee made Payable to the **Cambria County Conservation District**.

Review Fees

Commercial Sites and Waste/Fill Sites

The total fee for sites with earth disturbance activities greater than 5000 sq. ft. but less than 1 acre will be \$750.00

Individual Home Sites

The total fee for individual home sites with earth disturbance activities greater than 5000 sq. ft. but less than 1 acre will be \$250.

CCCD review fees may be waived or reduced for individual home site construction.

Permitted Sites

The following fees apply for earth disturbance activities 1 acre or greater:

1-4.99 acres	\$1500
5-9.99 acres	\$2000
10-14.99 acres	\$2500
15-24.99 acres	\$3500
25 acres +	\$3500 + \$100 each acre over 25

Chapter 105 General Permit E&S Reviews

E&S plan review fee for Chapter 105 General Permits are based on the length of stream/wetland impacted.

- B. The E&SPC review fee cannot be combined with any other municipal, county or permit filing fees.
- C. The applicant will submit a check or money order (cash not accepted) made payable to **Cambria Conservation District** and will submit this fee with the completed application form and the project plans. Please note: if a check is returned due to insufficient funds, the plan will **not** be reviewed. The cancelled check will be the applicant's receipt. No separate receipt will be provided unless requested.
- D. National Pollutant Discharge Elimination System (NPDES) Permit Fees
Applicable to projects disturbing 1 or more acres. The permit fees, which are established by regulation, are in addition to and separate from the above review fees. The following permit base fees shall be made payable to the **Cambria Clean Water Fund**.

<u>NPDES Permit Fees</u>	
General Permit	\$500.00
Individual Permit	\$1500.00

Additionally, a fee of \$100 per acre of disturbance rounded to the nearest acre shall be made payable to the **Commonwealth of PA Clean Water Fund**.

- E. Applications involving an NPDES permit shall require **three separate checks**: one payable to the **Cambria County Conservation District** (for E&SPC plan review), one payable to the **Cambria Clean Water Fund** (for NPDES permit base fee) and one payable to **Commonwealth of PA Clean Water Fund** (for Disturbed Acre Fee).
- F. Plan reviews will remain valid for 3 years from the date of approval. Failure to initiate earthmoving activities within this time will invalidate the approval and require the submission of a new application package, including application, plans, and fees.
- G. A site requiring a District plan review may not begin earthmoving activities until the E&SPC Plan has been approved by the District technical staff.

III. FEE WAIVERS

- A. Any unit of county, state, or federal government shall be exempt from paying a review fee. This waiver does not apply to private non-profit organizations, authorities, or school districts.
- B. Any agricultural activities conducted by a district cooperator in accordance with a Natural Resource Conservation Service reviewed conservation plan shall be exempt from paying a review fee, except building site development.
- C. Fees may be waived for earthmoving operations with limited acreage such as an individual homesite. The District is the sole determinant of this waiver.
