► BI Incorporated

BI Incorporated's Day Reporting Centers provide individually tailored programming for each client.

Each client will progress through the three levels of treatment and supervision at their own pace and based on their own behavioral improvements (monitored and measured through group attendance and participation, drug and alcohol abstinence, verifiable employment and/or income, stable housing, and compliance with parole board orders).

- Orientation & Assessment
- Development of a Behavior Change Plan
- Daily Check-Ins
- Alcohol & Drug Testing
- Substance Abuse Counseling
- Anger Management
- Parenting and Family Reintegration
- Job Readiness & Employment Assistance
- Lifeskills & Cognitive Restructuring
- Aftercare
- Community Connections
- Education Services
- Community Service
- Sober Living

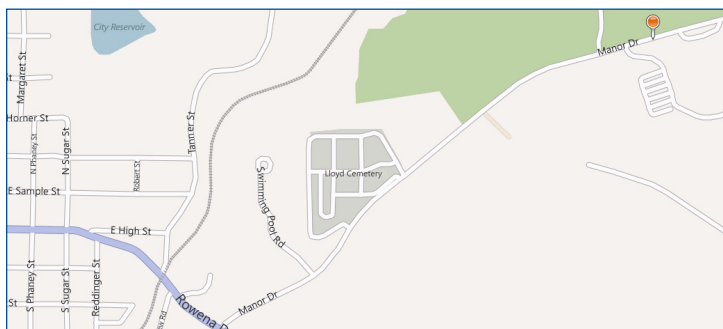

"If I was talking to a fellow participant that was . . . enrolling in the program, I would say: be honest, take this program seriously . . . They're here to help you."
