TO: Cambria County Prison Board Members
FROM: Christian M. Smith, Warden
SUBJECT: February 2023 Prison Board Meeting

Following are items I respectfully submit for discussion and consideration during the February 2023 meeting of the Cambria County Prison Board:

PERSONNEL:

PERSONNEL:

- Bob Rainey – remove from full time Corrections Officer I effective Jan 24.
- Michael Pribish – remove from full time Corrections Officer I effective Jan 24.

OPERATIONS:

COVID UPDATE (as of 2/6/23):

Since last month, we have had 16 additional cases of COVID (6 inmates and 10 staff) at the facility. All COVID protocols remain in effect.

MAJOR MAINTENANCE / FACILITIES UPDATES:

HF HVAC system –Still waiting on FIT Optimized to add the unit to our thermostat control software. CJL is still working with the project manager on a solution for this.

Light Posts: two of the four light posts have been replaced. Still waiting on delivery of the other four. Parking Lot: One of our possible capital project requests for 2023 was the repaving of our parking lot and entrance road including the repair of two drainage culverts. Several years back, they were tarred and chipped by PennDot at no cost through an agility agreement. Since then, they have started to deteriorate again and have some drainage issues. Due to time constraints, we have already begun reaching out to several vendors, including co-star vendors, for price quotes. Once received, we will forward the quotes to the commissioner's and controller's offices for review.

US MARSHALL CONTRACT:

On January 19th, I received an email from USM contract specialist that our renewal application is under review. Other than that email, I have no further update.

PENN HIGHLANDS:

We are currently in talks to expand our relationship with Penn Highlands Community College to become affiliated with their new Criminal Justice Training Center. An affiliation agreement is in the works that will give our staff access to their facilities and expand our internship program to include their students being able to attend our cadet academy for college credits. Once the finalized agreement, it will be forwarded to Solicitor Barbin for review.

FOOD SERVICE:

As mentioned last month, we have been working with Nutrition Inc. to develop a new meal menu to reduce food costs. The menu has been developed, reviewed, and is now under review by their nutritionist. We hope to implement it within the next few weeks.

VIDEO COURT:

The annual report for the prison's video courtroom is attached. A total of 3,072 court related proceedings were held at the prison via video. Breakdown is in the attached report. This was a slight increase of 49 proceedings over 2021.

THE ANNUAL STATISTICAL REPORT for the prison is attached.

**Cambria County Prison
Monthly Progress Report
Food Service Department
November 2022**

Date: February 2, 2023

Completed by: Jeff Callihan

During the month of November we continued training with the female inmate work force on preparing meals. We continued training on following large scale recipes for both cooking and baking, now that we are starting to do our own baking again after having the mixer refurbished and no longer purchasing breads from an outside source.

I also continued working with William Snyder from the Nutrition Group on making possible changes to the menu and ordering to help with food costs and shortages.

MONTHLY COST PER MEALS

The cost per meal for the month of November was \$1.5055 for a total food cost of \$51,451.08. This was a decrease of \$0.5747 from the month of October. This decrease was due no longer having prepared and delivered in meals by the Nutrition Group as well as using up inventory items used during the kitchen renovation project. We were also able to return unused paper products that were used during the kitchen renovation project that were no longer needed to Tony Sunseri for a credit.

UP-COMING MONTHS

During the month of December we continued working with female inmate labor working in the kitchen. We cross trained inmate workers to better utilize the work force. In doing so we continued working on using recipes and equipment which is still new to the labor force.

I will also continue working with William Snyder from the Nutrition Group on making possible changes to the menu and ordering to help with food costs and shortages that are occurring across the country at this time.

I am hoping to have December and January's end of the month reports done for the next Prison board meeting. I got behind due to the kitchen renovation project, retraining a new labor force and then returning to normal operations right before the holiday season restricting time.

Dear Warden Smith,

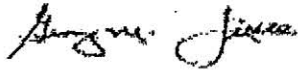

Congratulations! The Pennsylvania Department of Corrections has approved your basic training curriculum. This approval will remain effective until January 2026, provided the program continues to meet the department's minimum standards. Attached for your information is the County Prison Correctional Facility Training Curriculum Review Audit Report.

It was a pleasure to work with Director Greathouse throughout the curriculum approval process. She did an excellent job of developing and organizing materials needed for review. It is evident that she is committed to quality training and staff development and demonstrates your facility's efforts to ensuring staff have the knowledge and skills needed to be effective at their jobs.

During this approval period, personnel from the Department of Corrections' Office of County Inspections and Services will perform an annual audit of your Basic Training course. We will contact you in advance for the necessary information to accommodate this part of our approval.

Please contact Peter Damiter, Bureau Director, Training and Staff Development, at (717) 361-4333 if we may be of further assistance.

Sincerely,

George M. Little
Acting Secretary of Corrections

VIDEO COURT SUMMARY

2022

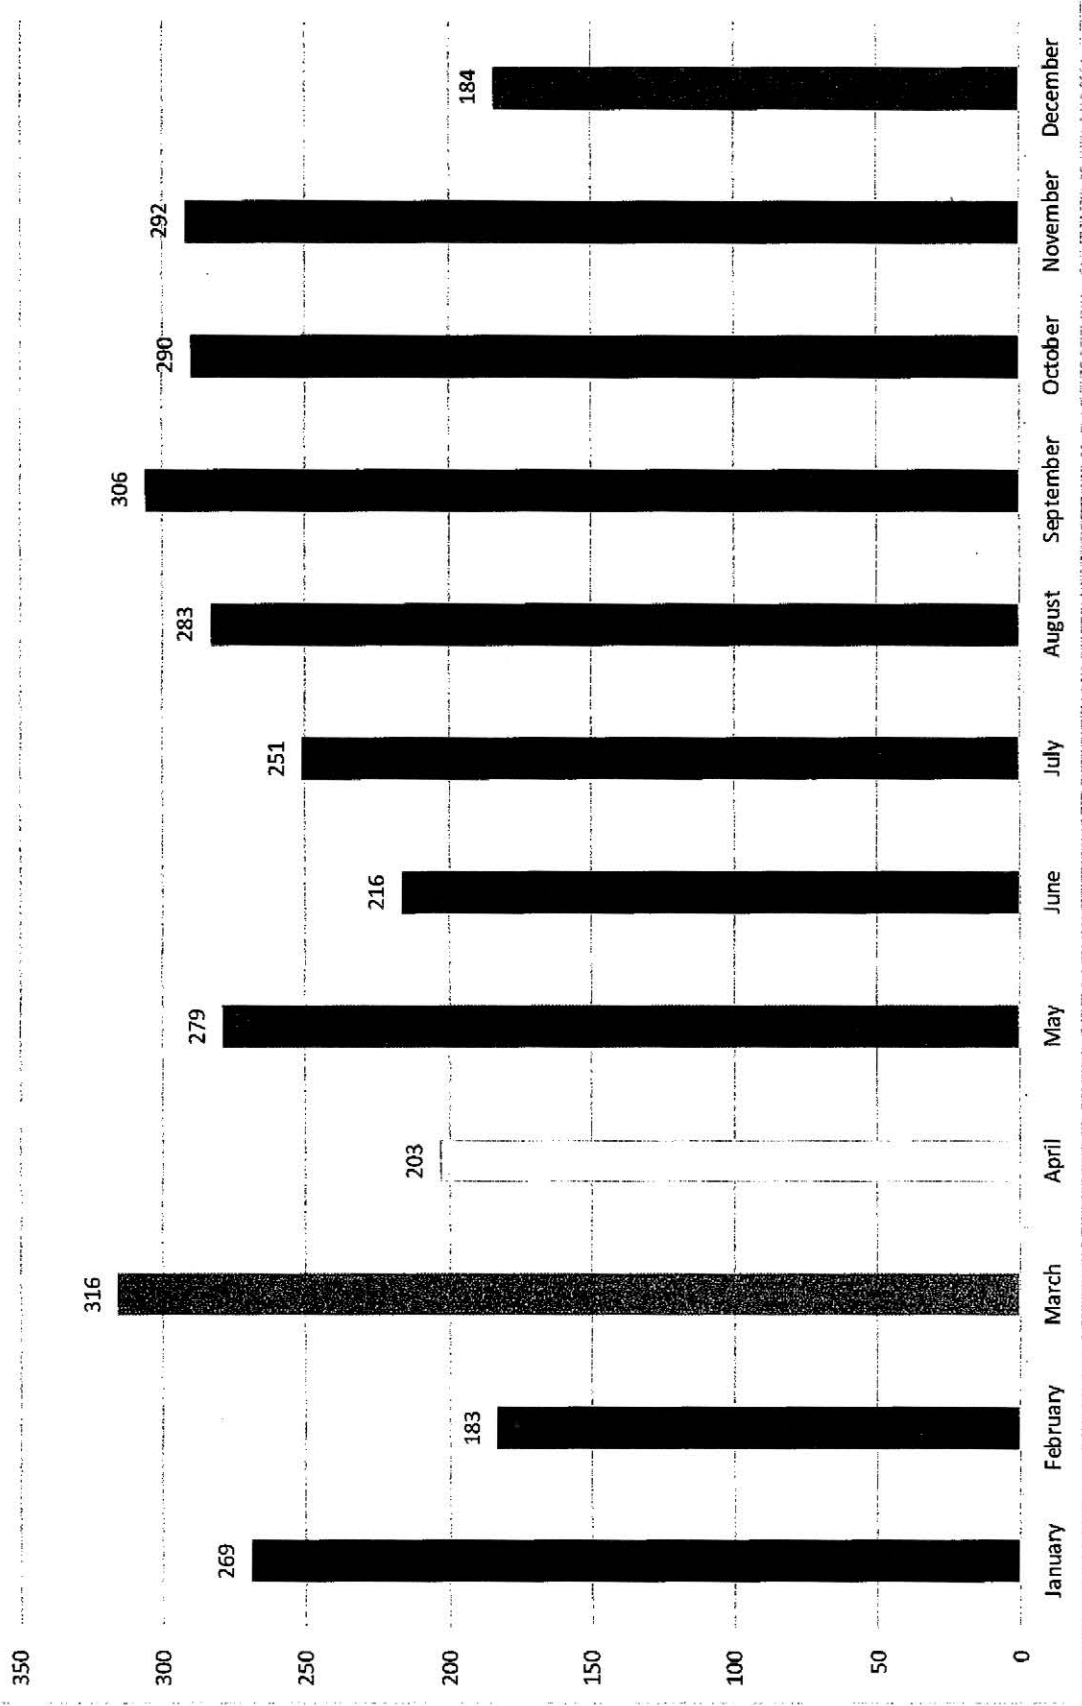

Video Court Coordinator: Rebecca Fox
Secondary Coordinator: Jeremy Smick
Programs/Court Officer: COII Robert Dumm

The Cambria County Prison Video courtroom operates Monday through Friday from 8:00am to 4:00pm. Construction of the Video Courtroom was completed in mid-February 2021 as a result of operational changes caused by the pandemic. Prior to its completion, the prison was utilizing prison counselors to oversee video proceedings from their personal offices. At times, up to 5 of the 6 counselors, along with an officer, were used for that purpose. To reduce the amount of staffing required to complete these hearings, we converted a large, unused classroom into a video courtroom containing six separate, private 'mini-video courtrooms'. This conversion allowed us to hold up to 6 video proceedings at a time overseen by 1 counselor and 1 officer. CARES funding was used for the purchase of the five polycom units and for construction of the room.

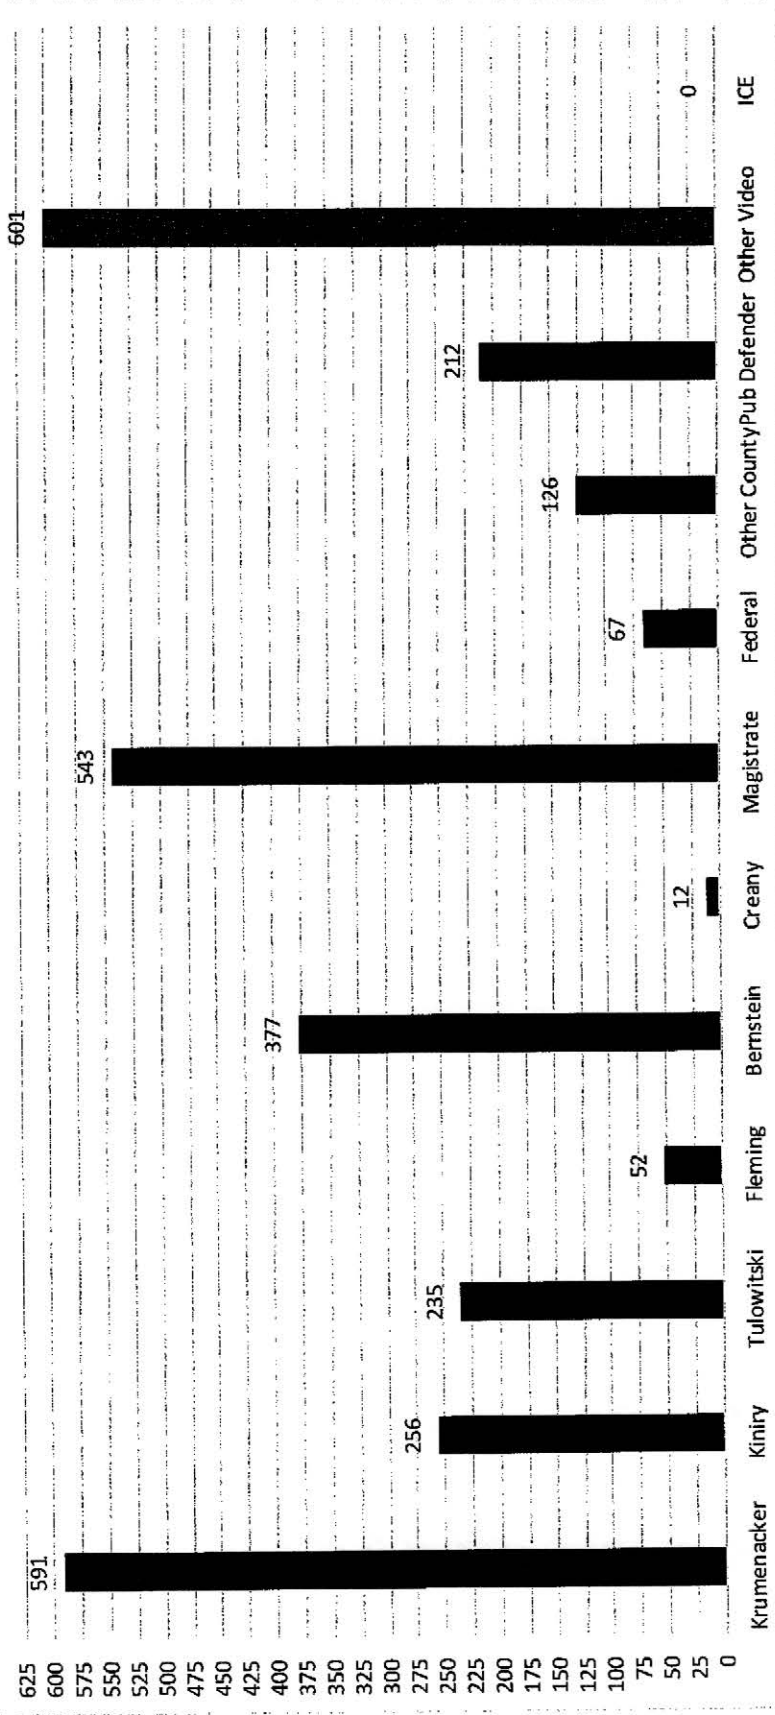

The subsequent data shows the total video proceedings held within the prison. The data is broken down into the following categories: Cambria County Common Pleas by Judge, Cambria County Magisterial Courts, Cambria County Public Defender Interviews, Federal Hearings, Immigration Hearings, Other County- Common Pleas and Magisterial, and 'OTHER' which includes Private Attorney Interviews, PA SOAB Interviews, Cambria County Drug and Alcohol Assessments, Federal Pre-Trial Investigations, Federal Public Defender Interviews, Psychological Evaluations

For the year 2022, the prison conducted a total of 3072 video proceedings. This total equates to an average of 12 proceedings per day.
