## Operations:

### Staff:

Eleven officers who successfully bid into the new 12-hour rotation began that schedule at the start of the year. This schedule provides staff with increased time off during the week to rest and recover, while also allowing the facility to staff shifts more efficiently. The anticipated result is improved coverage and a reduction in overtime usage.

Updated security and cellular phone policies have been implemented to strengthen security in restricted areas of the facility. Specific details of these policies are not appropriate for public discussion due to security considerations.

A staff Christmas party was held on December 6, 2025, providing employees an opportunity to spend time together and celebrate the holiday season.

**Operations:****Staff:**

The prison participated in the Ebensburg Christmas Parade as part of our ongoing efforts to maintain a positive and visible presence within the community.

**Major Maintenance / Facility Updates:**

A request for bids is being issued for facility security technology services in order to ensure competitive pricing and high-quality service for existing equipment.

A comprehensive audit of all mechanical equipment throughout the facility has been completed to identify systems in need of repair or replacement. Based on this review, a long-term plan has been developed to address these needs in a phased manner, allowing the facility to maintain reliable mechanical operations while spreading capital expenditures over multiple years to ensure fiscal responsibility.

Representatives from JailTracker visited the facility on December 3, 2025, to provide a demonstration of their inmate tracking and records management software.

**Training:**

A job fair was held at the Cambria County Human Resources Building on December 3, 2025. As a result of ongoing recruitment efforts, there are currently 17 new hires awaiting entry into the January academy.

A Training Committee meeting was held on December 16, 2025, to continue evaluating and improving training standards and delivery for staff.

Counselor Smick, who has been serving as Interim Director of Training, has completed the 2026 training agenda. His report is attached for review.

Counselors Smick and Furnari successfully completed the state-approved Train-the-Trainer Academy, which is required for instructors teaching at the facility.

All documentation has been completed and approved in preparation for the launch of the new Academy on January 20, 2026.

Counselor Smick coordinated with Pepperball Inc. to hold an armorer course in June of 2026.

**Prison Audits:**

Inspector Zirpoli has advised that the finalized proposal for the facility's voluntary audit will be provided in January. Once received, it will be presented to the Prison Board for review.

**Kitchen Updates:**

Food Service Director Mathis, in coordination with The Nutrition Group, has continued to work toward improving the efficiency of food service operations. These efforts have resulted in measurable improvements to overall food service performance.

**Miscellaneous:**

The 2026 federal census reporting for the facility has been completed and accepted.

Deputy Bursky identified a grant opportunity through the Pennsylvania Commission on Crime and Delinquency (PCCD) that would provide continuation funding for the current Act 80 grant. This funding would supplement existing Drug and Alcohol resources and support the facility's active Medication-Assisted Treatment (MAT) program.

**Operations (continued):****Miscellaneous:**

A contract has been forwarded to Bedford County regarding the housing of juvenile detainees. Upon execution by Bedford County, the agreement will be presented to the Prison Board for review and consideration. If approved, this arrangement would provide an additional revenue source for the facility.

Deputy Bursky and I participated in an interview with Fox 8 to discuss facility operations, the challenges of modern corrections, and the ongoing focus on rehabilitation efforts and staff well-being.

**Inmate Treatment:**

Volunteers from Go-ReEntry visited the facility to provide a holiday caroling program for the inmate population. This marked the first time such an event has been held at the facility and was positively received by the inmate population. The administration appreciates the continued partnership with Go-ReEntry and looks forward to future collaboration.

Go-ReEntry hosted a holiday support event outside of the facility for the families of female inmates. Incarcerated individuals were able to voluntarily sign up for the program in order to provide support to their families during the holiday season while they remained incarcerated.

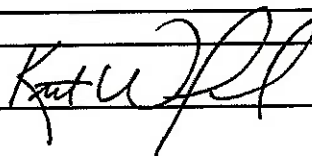

Re-Entry staff held a meeting on December 17, 2025, to review the progression of services provided to the inmate population.

The Re-Entry Department held its quarterly meeting on December 3, 2025. Representatives from Drug and Alcohol Services, Administration, and outside partner agencies also participated.

Deputy Bursky participated in a Zoom meeting with Rushelle Dillon from the Pittsburgh Food Bank to discuss upcoming SNAP benefit changes and strategies to assist inmates upon release in navigating those changes.

**Date Completed: January 7, 2025**

**Completed by: Shannon Mathis, Food Service Director**

**In December, we focused on being creative with our recipes to use up most of our existing food inventory. I continued to work closely with the inmates, guiding them in food preparation and cooking. Because we saved money by using what we already had, we were able to provide a nice holiday meal for both the staff and the inmates.**

**This month, we successfully decreased the cost per tray by five cents! I take great pride in the kitchen officers and workers, as they have demonstrated a heightened focus on waste elimination while maintaining food quality.**

**Monthly Cost Per Meal (CPM)**

**November: \$1.42**

**December: \$1.37**

**Up-coming Months:**

**We are prioritizing food safety! I have created orientation packets for the new kitchen staff that contain food safety information along with a quiz to be completed at the conclusion of their first week. We are also emphasizing organization and cleanliness this year!**
